<b>YEAR LONG</b>		
<b>Project Title</b>	<b>Rationale</b>	<b>Estimated Cost</b>
40 Computers for Bell Library	Our current computers are over 5 years old and do not support the needs of our students learning and educational curriculum standards. We must upgrade our computer center for students, faculty, and community to help our students learn to utilize appropriate technology.	\$40,000
Character Education Program for each grade level	To improve the character and social development our young adolescents and develop social competence and positive citizens.	TBD
